

AIR FILTRATION KITS

REQUEST YOURS TODAY!

The City of Inkster, Wayne County Economic Development, and Ford Motor Company partnered up to distribute and deliver air filtration kits. The target for these are schools, small businesses, nonprofits. These are great for restaurants, hair salons/barbers, and any other small space.

The air filtration kit supplements a room's existing filtration system to further help reduce the risk of COVID-19 virus particle concentrations.

Please request at your earliest convenience, as these will be distributed on a first-come, first-serve basis.

Contact the Mayors' office today by submitting a request via email to salsenad@cityofinkster.com. Please indicate in the subject "Air Filtration kits."
