

CANCELLATION OF BOIL WATER ADVISORY INKSTER DRINKING WATER SYSTEM

The issues regarding the recent loss of water system pressures within the southwest quadrant of the City of Inkster have been resolved. The system is back to normal pressures, has been flushed and consecutive bacteriological samples have been taken per the State of Michigan requirements and show no signs of bacteria.

This boil water notice is now cancelled. Residents within the affected area can resume the normal use of water.

For more information, please contact Jerome Bivins of Inkster Department of Public Services at 313-563-9774, jbivins@cityofinkster.com, or 26900 Princeton Ave, Inkster, MI 48141.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

CERTIFICATION:

I certify that this water supply has fully complied with the public notification requirements in the Michigan Safe Drinking Water Act, 1976 PA 399, as amended, and the administrative rules. WSSN: 3660
