**CITY OF INKSTER**  
**Inkster Road Pavement Repair**

**IMPORTANT UPDATE**

The City of Inkster recently needed to complete a water main repair that was located in Inkster road at Annapolis. In order to complete the pavement restoration, the city will be performing lane closures on Inkster Road at Annapolis that will reduce traffic to one lane in each direction on Inkster Road. This lane closure is anticipated to be in place through October

If you have any specific questions on the Pavement Repair, contact Dan Guastella  
**Project Engineer for Benesch, at (313) 234-0307.**

We appreciate your cooperation and patience during construction!
